RE: Report on EIS-JACKPILE/PAGUATE

Dear Mr. Nelson:

This will confirm our telephone conversation yesterday concerning the Pueblo's request for a report on the progress of the EIS. This meeting is in keeping with your previous efforts to keep the Council informed and to maintain contact with key people within the Pueblo's organization. You have been scheduled on the Council's Agenda for 9:00 A. M. on Tuesday, July 21, 1981.

As I explained to you, I believe that the Pueblo and CERT are ready to proceed with our segments of the EIS. Thank you for your cooperation and assistance in this major undertaking.

Sincerely,

PUEBLO OF LAGUNA
